NIC is a wine from Bodegas J.A. Calvo Casajús, led by José Alberto Calvo Casajús, a winegrower with a great family tradition in the municipality of Quintana del Pidio, within the Ribera del Duero Denomination of Origin.

NIC has been made with grapes from the small vineyard of the boundary called Montecillo, planted by our family in 1920, which currently has a controlled production of approximately 1 Kg of grapes per vine and the variety used is 100% native grapes Tinta del País (Tempranillo), a noble variety that gives color, aroma and body to this wine.

NIC is made following a new concept of integral vinification in 500-litre French oak barrels from the Tronçais area. The entire process of vinification, maceration, fermentation and aging lasts approximately 24 months; this production system allows a very careful and artisan winemaking to be carried out to obtain the best qualities of the grapes.

NIC comes from the greatest respect for the viticulture and traditional elaborations of the Ribera del Duero.
